

Director, Wealth Management

We are expanding our team to help us evolve through the next stage of our growth journey, and we want you to help shape our future. We now have a career opportunity for a **Director, Wealth Management**. This position requires travel throughout Saskatchewan and offers flexible work arrangements, with the ability to work from both the office and remotely.

As the Director, Wealth Management, you will....

Provide strategic leadership and direction for TCU Financial Group's Wealth Management division, ensuring alignment with TCU's values, organizational strategy, and the evolving needs of our members. You will be responsible for driving performance, growth, and the long-term sustainability of the Wealth Management business while leading and supporting a high performing team. This includes:

- Cultivating a constructive culture by promoting teamwork, positive collaboration and shared success across the Wealth Management team and the organization.
- Fostering an environment that encourages professional development, innovation, and responsiveness to changing member needs and industry trends.
- Ensuring strong regulatory compliance, including effective risk management practices and adherence to all applicable financial regulations and internal policies.
- Driving strategic growth while sustaining strong and collaborative relationships throughout TCU and with our external business partners.

As the Director, you are

- A dynamic mentor and leader of people able to promote a highly accountable and value aligned team, capable of critical thinking in applying a holistic, member-centric approach.
- A strong communicator with the ability to operate across business boundaries to create commitment in realizing TCU's vision and mission.
- Passionate about encouraging and coaching employees to achieve results beyond the ordinary with the ability to individualize the approach.
- Able to build a cohesive team environment, fostering trust and collaboration while guiding the team through challenges and change.

If you are motivated by the thought of this challenge

And can demonstrate success through 10 years of proven experience in the financial industry, with a minimum of 5 years in a Wealth Management role and 5 years of senior leadership experience, then this exciting opportunity to help shape our future might be for you!

Get to know us

TCU Financial Group is a credit union grown by Saskatchewan people. For 70 years we've been rooted in the province of Saskatchewan, creating our story, growing and evolving alongside the needs of our members. We provide a full suite of financial solutions to people and businesses across the province and one thing that has never changed – our heart remains committed to the people and the communities we serve.

Rewarding times ahead

To support the evolution of our organization, we need talented people who are passionate about creating and delivering meaningful financial solutions for our members. In addition to providing competitive compensation, benefits and pension programs, we support our TCU Financial Group Team and their families by providing an enhanced vacation program to enjoy time doing what they love outside of work.

Thank you for your interest in exploring your future with us!

The deadline for this career opportunity is April 6, 2026.
